Elon Jazz Festival is Friday

59 Minute Fundraiser

See [PDF](#) for More Information. Students compile a list of people that they know, and during the 59 minutes they make fundraising calls. Other local groups have done well with this fundraiser. Certain colleges will offer tuition waivers for a certain amount sold. There could be a donation tree option as well as selling items.

Since this is not a trip year, Mr. C would like to put the money toward redoing the band and choir libraries. The filing system needs to be redone. This would be \$6,000.

Concerns are when this event would be done. It could not be done during class time.

Candace Marles said that she would be more in favor of the donation tree option as opposed to buying things. Other attendees agreed. Also, it is good for the students to articulate what the band program needs, as opposed to reading a script about a product. *All agreed to pursue the donation tree option.*

Great American is the company that could be involved if incentives are being used for the students, which would take a portion of the proceeds. Discussion ensued about trying to do it independently so that a portion would not have to be sacrificed.

Mr. C will talk with administration about this.

Hosting Central Region MPA

CRHS is hosting for the 5th year. The dates are March 20-22. Volunteers are needed throughout the three days as well as set up on Tuesday afternoon (4-7pm) before the 20th. Each day volunteers are needed for the registration table, in the theater room monitoring students, picking

up lunch for judges, and tearing everything down on Friday afternoon. The even is almost full, which is 54 bands. It will most likely be 8:30-7pm all three days.
